Sunflower Fete: THANK YOU SO MUCH!

The Sunflower Fete was, once again, an absolutely fantastic day and the highlight of the school year ☺

A day like this can only be made possible by the combined effort of our incredible community. Thanks firstly go to everyone who organised the day: dealing with suppliers, booking rides, sorting donations and loading/unloading the vans. We would also like to thank everyone who helped the day itself run smoothly, for arriving early to set it up, volunteering on their class stalls and providing food. Thanks to reps for organising the stall rotas and for communicating information to their classes.

Finally, we would like to give special thanks to Tom Cunnington, Charlie Cook and Dan Gorton for driving the vans; Leah Godfrey for liaising with the council and managing the site on the day; Michaella Standen for organising all of the sponsorship; Michele Bolam for organising and executing the raffle; and finally, to all of those who came back to school at the end of a very hot sweaty day and unloading the vans in record time! We are still counting up what was raised, but once we know, we will let you all know.

(see next page for a list of raffle winners)

Car Boot Sale: THIS SUNDAY

Please let Sarah sarahp@meedja.co.uk know if you are able to help at this Sunday's Car Boot Sale. The sun will be hopefully be shining which means lots of buyers, and a great money-earner for our children. Remember, you can sell for free if you are volunteering.
