5R has gone all Roman !

Yesterday 5R performed a great assembly and shared all their knowledge on the Romans. They sang a snappy Roman song and performed a really enjoyable piece about a group of children going back in time. Have a look at some of the children below with some authentic costumes. PS - All of Year 5 really enjoyed their visits to the Museum of London this week.

Key information

Flu Immunisation

If you would like your child to have a nasal flu immunisation and they are in Reception - Year 4 please contact the School Immunisation team on 01895485740. They are running clinics to give the nasal spray.

Free School Meals - We get funding!

Every child in Reception, Year 1 and Year 2 can have a free lunch at school. However some of the children in those years are entitled to claim for free school meals. This gives us extra funding to help their child learn. This is really important funding that we don't want to lose out on. If you have any questions about this please speak to Miss Rodriguez and you can apply using this link:

Nursery Gate - please close it every time you go through it.

Please remember to close the Nursery Gate behind you when coming and going to the Nursery. This also applies when you are dropping or collecting your child from breakfast or after school clubs. This is for safeguarding reasons. Thank you.

E safety tips

Did you know?

When you send someone a photo, you MIGHT also be sending your location and they can tell exactly where you are in the street plan. Keep Location facilities on SMART phones switched off until you need them.

Football - didn't they do well!

The other day a group of children represented Southfield at an inter schools tournament. This involved schools from across Ealing and Brent. The team played really well and got through to the semi finals. They were beaten by a school in Brent but have qualified for the area Finals in the Summer. Well done to all the children for collaborating so well and thank you to Fit for Sport for organising the event.
