Reading Cafes in Year 1 - what a lot of visitors!

We were really impressed with the number of parents and carers who came to our Year 1 Reading Café yesterday. Thank to everyone who came, shared books with their child and also in some cases read to the whole class. Please have a look at when your child's reading café is in the Key Events section below.

Key information

Lettings- Children's parties

More information re hires and prices are available from the School Business Manager - Sheila McCabe. Please email smccabe3.307@lqfmail.org

Year 4 Charities work

All classes are doing work on Charities this term as part of their PSHE work. Year 4 had a talk by Hannah Huxford about how her workplace donates to different charities in the UK and around the world. Next week Year 4 hear all about Water Aid and later in the term children across the school will find out about the charity NSPCC.

Ready for Learning Goals

This week's *Ready for Learning* Goal is:

I am focusing on the person teaching.

The EYFS *Ready for Learning* Goal is:

Good caring

Attendance

Thank you to everyone for coming to school every day in the week.

Well done to RR (98.7%), 2R (99.3%) and 3G (98.9%). All three classes win the attendance cups this week.

Our overall attendance percentage is now 96.4% for Years 1 - 6 and 95.3% for Reception. We think we can do better.

Please remember to phone the school or email admin@southfield.ealing.sch.uk if your child is sick or has a medical appointment. On our website you can download a leave request form for non medical appointments.

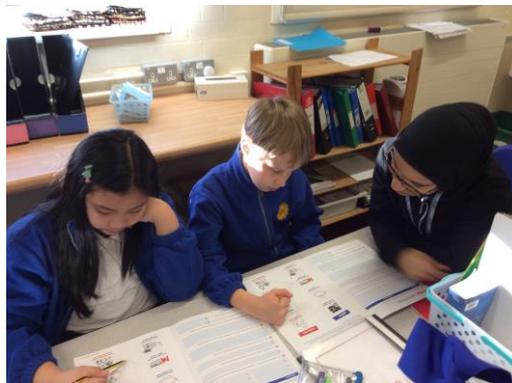

Tesco - every little shop will help Southfield!

We sent a letter out this week about how you can help the school by buying from Tesco.

Money matters in Year 5

Year 5 are having some very useful life skills support on how to look after money and how to save money. Metrobank are running a series of workshops in school and all three classes will be visiting the bank next week.

Nursery are learning such a lot!

Whenever you visit the Nursery classes you can't help noticing how busy and happy all the children are. They are learning a lot through exploring. Have a look at some photos that shows that below.

Reading Eggs and Mathletics - great learning at home and school

Reading Eggs

Your child has access to Reading Eggs at home and at school; it is a fun and effective program that teaches children how to read.

Reading Eggs is designed to get your child motivated and excited about reading.

The program teaches children the core reading and literacy skills they need to succeed at school. The lessons are interactive and engaging, they contain animations, fun music and exciting rewards that keep children motivated to learn. Encourage your child to use Reading Eggs at home.

Mathletics

Mathletics is a targeted, rewarding and highly captivating online learning resource to power maths learning from Reception through to Key Stage 2.

Mathletics has a full set of curriculum-aligned activities covering all topics and themes of maths covered throughout primary school.

All activities are automatically marked, with children receiving clear feedback on their progress

In the hugely popular Live Mathletics, children can test their skills in a great live online maths game, competing against others from right across the world!

Please get your child to log on and use Mathletics.

If you are not sure about your child's log in or for anything else please speak to your child's teacher.

There are also spaces in Football Y3/4 and Y1/2. Please speak to Miss Green.

For Drama, Tennis and Science, you will need to contact directly the club providers. Forms and flyers are available at the school office.

If you are receiving certain benefits and claim Free School Meals, your child may be able to get a place in the above clubs. Please speak to Miss Rodriguez

Writing – a great example.

Max in 6R has written a great persuasive closing speech with lots of great vocab and punctuation. This was part of year 6's democracy work on being a political party.

Imagine a world that puts its people first - imagine a world where everyone is equal. That is the world we want to create; do you want this too?

We believe with your help we can make sixty percent of the UK rely on renewable energy by:

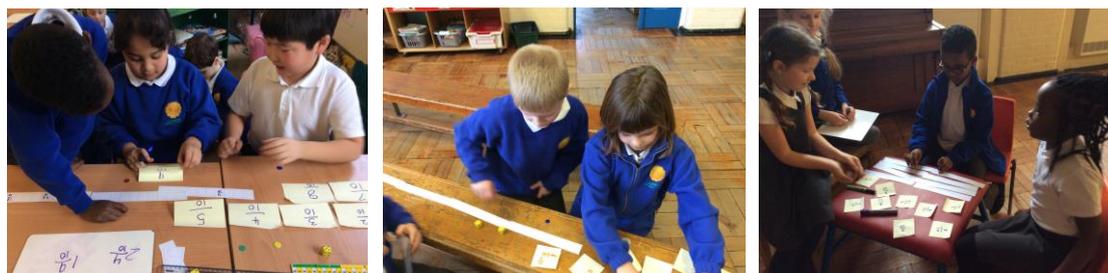

Decreasing the use of fossil fuels

Using hydropower, wind power, solar power and geothermal power

Making the majority of cars run on renewable energy.

We can only achieve this with the help of the people. And who are the people? Yes you, you are the people. Vote for us: our voice will be your voice.

Year 3 really enjoy practical maths!

One of our school priorities for all classes is to get children to learn maths by doing things in a practical way. They all learn better by doing this. 3R learnt a lot about fractions.
