## The Great Pedal Challenge

We have had lots and lots of children come to school this week on bikes and scooters. The class winners this week are Nursery Am, 2R and 4R. Have a look below at the very full bike shed.

We also had a Bike It Breakfast and lots of encouragement from our Bike it Crew:

Being part of the Bike It Crew is fun and exciting because you never know what is coming up. In the Great Pedal Challenge we have had the chance to run an assembly on what is going on over the next two weeks. We also get to run a survey on how many road their bikes or scooters to school. Finally we also got to run a Bike It Breakfast.

## Molly Sexton Writing competition 2018

We were overwhelmed with the number of entries this year and it was so hard to choose winners. Every child who took part received a certificate. The overall winner was Mathew Eastwood in 6G. You can see him below with his trophy and the school's trophy, both with his name engraved on them. The runners up were Ashton Philip in RR, Noah Van Rozen in 4R and Jennah Hadawe in 2R. They are showing their winning entries which will soon be published in the Sunflower alongside Mathew's.

## Key information

### Sunflower

We apologise for the lack of Sunflower last week. It was planned for one to be written and sent out on Monday. However due to IT issues this could not be done. Instead you can read a bumper edition today!

## It was Summer and hopefully will be again soon.

As the weather is improving children can start to wear summer dresses or short trousers. And they can all wear hats and have sun cream put on just before coming to school.

## Science Homework

Well done to all the children who did so well in the science homework. Look out for some photos in the Sunflower next week and hopefully some of the multimedia homework on the website.

## Local Elections - school closure - 3<sup>rd</sup> May 2018

Please note that due to the school being used as two polling stations on May 3<sup>rd</sup> the school will be closed to children. There will also be no Fit for Sport child care for safeguarding reasons. Staff will still be working. We are sorry for this closure; Ealing Council have advised us that there are no other suitable local sites for the polling stations.

## Lettings - Children's parties

More information re hires and prices are available from the School Business Manager - Sheila McCabe. Please email [smccabe3.307@lgflmail.org](mailto:smccabe3.307@lgflmail.org)

## Attendance

Thank you to everyone for coming to school regularly.

Well done to RR (92.5%), 2G (96.6%) and 3G / 6R (%) for last week. All four classes win the attendance cups this week.

This week the winners were RR (98.7%), 2G and 2R (99.3%) and a perfect 100% for 4G and 6G. Well done to all the classes.

Our overall attendance percentage is now 96.4% for Years 1 - 6 and 94.9% for Reception.

Please remember that if you are collecting your child for a medical appointment you should inform us in advance. We also need to have evidence of the appointment such as a text confirmation or reminder of the appointment. Thank you for your help with this. Also - if you request leave during term time and your child is given an unauthorized absence you can check why by looking at our attendance policy or contacting Ms Rodriguez.

## Millers Ark Farm visit EYFS - a great ongoing Southfield tradition

At the end of last term we had the pleasure in welcoming to the Reception playground lots of farm animals and birds. Reception and Nursery loved seeing and touching some of them. It was a great day and thank you to the SPSA for once again funding it.
