The Winter's Tale

Year 5 performed so well in front of a large audience yesterday. They made everyone so proud as they acted, sang, danced and played instruments when performing parts of The Winter's Tale. We hope to have some photos soon. But in the meantime - Well done everyone!

On Tap Exit point - Great fun was had by all!

In our exit point for our topic On Tap we invited 4G and 4R parents to take part in the water transportation investigation. There were two boxes, one filled with water and the other was empty. The parents had to transport the water from the full boxes to the empty one. They used cups, bowls and buckets. It was great fun!

Joud 4G

Key information

Lost property – please note!

After today all jackets in lost property will be given to charity and all uniform will be given to the SPSA to sell in one of their uniform sales.

Sharing photos – Whats App

We are aware that families engage with each other on various social media including Whats App groups. We have recently become aware that at times photos of children are shared including ones taken on school trips. As with all photos taken at school events we ask that only photos of your child should be taken and shared. This is because we have some children in the school who do not have photo permission for various reasons including safeguarding issues. Thank you for your co-operation with this important point.

End of the day and Safeguarding

Please read the safeguarding letter recently sent out about coming into the building at the end of the day and the new system of lost property. Thank you for all your co-operation in keeping all the children safe.

Lettings – Children's parties

More information re hires and prices are available from the School Business Manager – Sheila McCabe. Please email smccabe3.307@lgflmail.org

Ready for Learning Goals

This week's *Ready for Learning* Goal is:

I am working well with others.

The *EYFS Ready for Learning* Goal is:

Good sitting

Science homework this half term

We had such a great response to the Science homework over the Easter break that we have decided to do it again. Children can present their answers to the science questions however they want and some will be chosen to be shown in assemblies after half term. The questions to be investigated are:

Years 1 - 3 Why does the moon shine?

Years 4 - 6 Why don't birds get electrocuted when they sit on electrical wires?

Attendance

Thank you to everyone for coming to school regularly.

Well done to RR (97.7%), 2G (97.2%) and 4G (A perfect 100%) for this week. All three classes win the attendance cups.

Our overall attendance percentage is now 96.3% for Years 1 - 6 and 95.1% for Reception.

Please inform the school office if your child is arriving late or being collected early for a medical appointment. This will mean we can avoid sending unnecessary texts in the morning and inform the teachers if a child is leaving early. Do not forget to show evidence of the appointment (text message is also acceptable). Thank you.

Dates and events

Summer Term Key Dates

Any new information is highlighted in red.

15th June - Sports Day

16th June - Summer Fete

18th June - Class photos

28th June - EYFS Welcome meetings for new families - 4pm Nursery,
5pm Reception

29th June - School closed to children for Inset day

11th July at 9am - Orchestra and Choir Concert

11th July 3.30 pm - 6pm - Celebration Evening / Meet the teachers

20th July - Last day of term - School finishes at 2pm

3R - 20th June (Wednesday)

1R - 21st June (Thursday)

2G - 26th June (Tuesday)

1G - 27th June (Wednesday)

3G - 3rd July (Tuesday)

2R - 10th July (Tuesday)

Cyber Mentor message

- Don't be afraid to talk to a trusted adult if you think you are being bullied.
- If you are being threatened online tell a trusted adult straightaway.
- If you get a message - block it, report it and show it to a parent or carer.

House Points

The house point totals for last week:

Gunnersbury:	2201
Chiswick:	2072
Kew:	2186
Hogarth:	1994

Well done to Gunnersbury for staying in the lead so far this term.
Lots of house points for following the Ready for Learning Goals.

Sunflowers

As it is the last week of the half term Behaviour certificates were presented to children who consistently followed the Ready for Learning Goals. They are all role models for others to follow.

Ramadan and fasting

Following a situation earlier this week, where a child who was fasting needed some medical treatment, we have contacted a Ramadan helpline for advice. If any child needs treatment such as an epi pen or asthma inhaler they are able to break their fast. If such a situation occurs again we will contact the parent / carer and expect them to allow us to administer the required medication. Thank you.

Ready for Learning

Well done to 3G and 4R for winning the Ready for Learning rewards. They were rewarded with an extra 10 minutes playtime for lining up at the end of playtimes and lunchtimes and getting their brains quickly into learning mode.

Clubs corner

Please note the information below about extra recorder and violin lessons:

Recorder : Tuesday 10th July (Art Block)

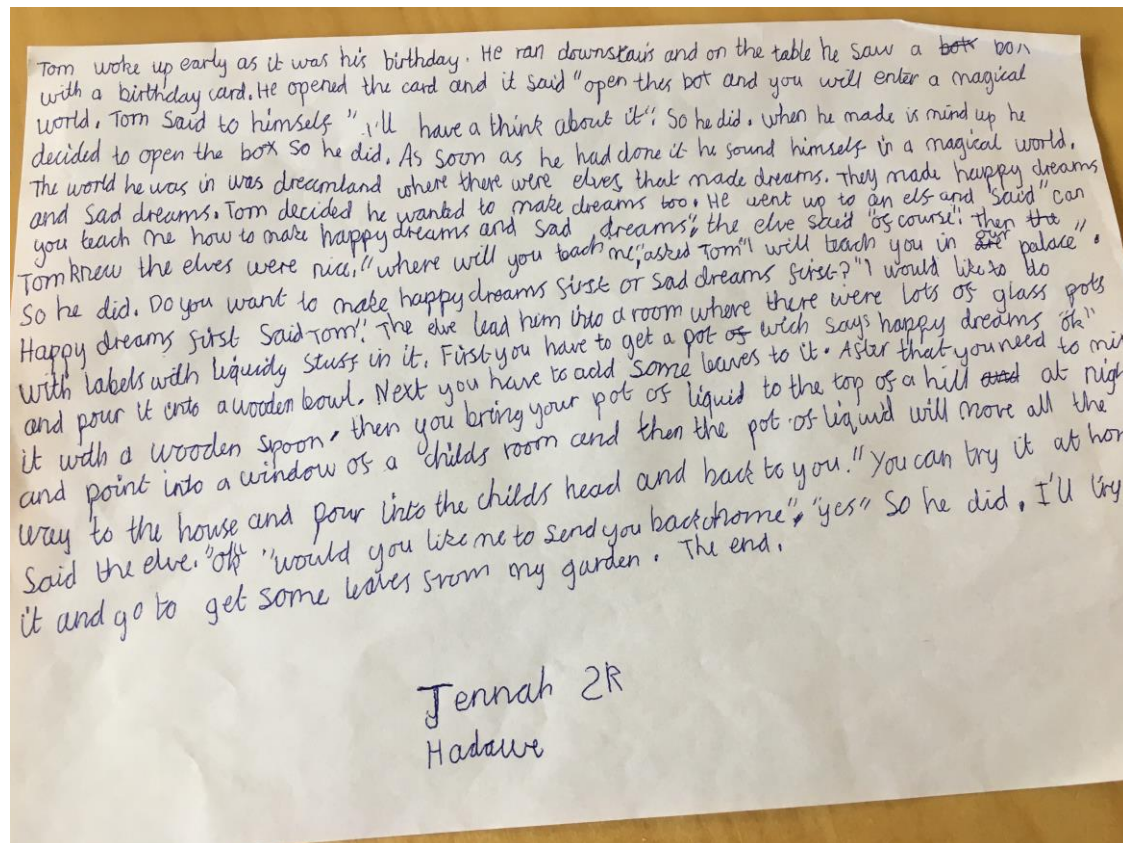

Recorder: Tuesday 10th July (Therapy Room)

Violin : Monday 18th June and Monday 2nd July (Art Block)

If you have any queries please contact the club provider or Miss Rodriguez.

Molly Sexton Writing Competition 2018

Have a read of another runner up's entry. This was from Jennah in 2R :

Parents , carers and children collaborating in Year 1

It was great to see so much collaboration going on in Year 1 the other day. It was all about the children's Green Fingers exit point. They also showed they had nimble fingers with all that sewing!
