## The Winter's Tale

Everyone is very excited about the Shakespeare Project work that Year 5 are doing at the moment. This includes working with a project director, doing cross curricular work in class and carrying out homework. Have a look at some great set boxes below. Children had to choose their favourite scene from The Winter's Tale. Well done to Luke, Jack and Sadie in 5S.

## Science homework - what a lot we got!

We were so impressed with the range of science homework we received back after half term. There were multi media presentations, models and posters. We are aiming to add some of videos and powerpoints onto our website. Key Stage One had the question "Can I jump on my own shadow?" and Key Stage 2 had "Why is the ocean blue?". The best from each class showed their work in assemblies last week. The winners were:

Sammy 1R (Poem), Oliver 2G (Powerpoint with video), Ottilia 2R (Model), Laura 3G (Poster), Zach 4R (Poster), Camelia 4G (Powerpoint and quiz), Fausta 5R (Poster), Sage 5G (Model), Luke 5S (Poster), Cameron 6S (Comic), Emma 6G (Video), Mahya 6R (Poster), Alfie 6G (Model)

## What a creative lot we are at Southfield!

### Year 1 visits a Buddhist Vihara

Year 1 recently visited the local Buddhist Vihara as part of their Religious Education work. They found the visit very interesting and learnt a lot about the Buddhist religion.

### Key information

## The Great Pedal Challenge - keep cycling or walking to school!

We are doing really well in the Great Pedal Challenge so far. We are currently 137<sup>th</sup> in the whole country, 15<sup>th</sup> in London and joint 4<sup>th</sup> in Ealing. This is a great achievement. But we want to do even better so that we are reducing the vehicles in the streets around the school, making the air quality in the school grounds better and making everyone healthier.

Our Bike It crew are doing a great job in collecting all the data. Kieran in 5G says:

"I think that counting the children and adults is fun but it is also important because more people cycle to school so there is less pollution."

## Lettings - Children's parties

More information re hires and prices are available from the School Business Manager - Sheila McCabe. Please email [smccabe3.307@lgflmail.org](mailto:smccabe3.307@lgflmail.org)

## Chesterton's colouring competition

Chestertons in Chiswick are giving a Southfield School family the chance to win a ticket to their Polo in the Park event at the Hurlingham Club on Saturday 10th June. Each child has the chance to win by colouring in the picture and returning it to the Chestertons Office at 155 Chiswick High Road (Opposite Turnham Green Terrace) by 11th May.

Chestertons are the main sponsors of all SPSA events this year and the money raised goes towards enhancing the education of each and every child in the school in the form of school trips and workshops, playground equipment, iPads and laptops to name but a few.

The winner will be chosen on Friday 18th May and the winner's name plus their winning entry will be included in the SPSA Newsletter.

For more information on the event go to the website: <http://www.polointheparklondon.com/kids-club>

So Good Luck and get colouring!

## Year 4 On Tap entry point

Today we carried out our Entry Point for our new topic "On Tap". The entry point was called Wacky Waterworks. It involved transporting water from A to B without lifting the water container or walking with it. In groups we discussed how we were going to transport the water. Our teams used bottles, plastic jugs and plastic bags. At the end it was really hard to get all the remaining water without lifting the container.

## Attendance

Thank you to everyone for coming to school regularly.

Well done to RR (97.5%), 2G (99.6%) and 6S (99%) for this week. All three classes win the attendance cups.

Our overall attendance percentage is now 96.4% for Years 1 - 6 and 94.9% for Reception.

Please note we are about to send out letters to those families whose child has been late 10 or more times this year so far. We know everyone is aware that coming to school on time everyday is so important and missing the beginning of the day, where key messages and learning takes place, is vital.

## Cyber Mentor message

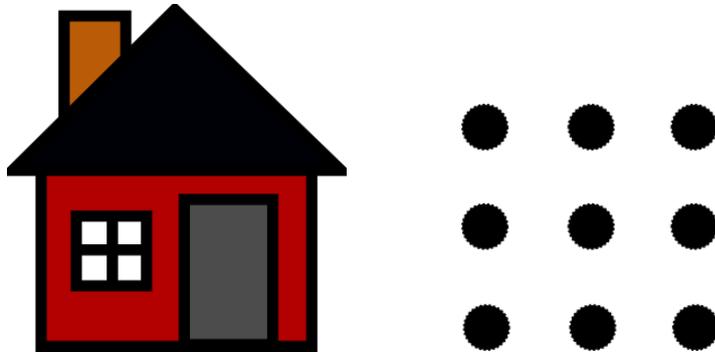

What a bully wants is for you to retaliate angrily so it is best to ignore it or answer politely. If you are worried about doing that you need to let an adult or a Cyber Mentor know so that it can be dealt with.

## Clubs corner

If you have any queries please contact the club provider or Miss Rodriguez.  
Thank you.

---

## End of the day

As the weather starts to improve please remember that we ask that all parents / carers and children need to be off site by 3.45pm. We cannot provide any overall supervision after this time. We also welcome parents and carers reminding their children that no ball games should be taking place after school. Thank you for your co operation with this.
