## Writing across the school

All the children are working so hard to achieve their best. This includes some fantastic work on improving their writing. Have a look at some photos below showing children in Year 2 and Year 6 who are really concentrating in class.

And here are some Reception children showing some of their work carried out in a phonics session earlier this week:

## Ofsted

Please look out for a letter and the Ofsted letter following our inspection last month. It has been sent out today.

## Key information

### Sports Day, Eid and Summer Fete

There is lots going on next week. Please keep an eye out for any letters and messages that have been sent this week.

### Sharing photos - Whats App

We are aware that families engage with each other on various social media including Whats App groups. We have recently become aware that at times photos of children are shared including ones taken on school trips. As with all photos taken at school events we ask that only photos of your child should be taken and shared. This is because we have some children in the school who do not have photo permission for various reasons including safeguarding issues. Thank you for your co-operation with this important point.

### End of the day and Safeguarding

Please read the safeguarding letter recently sent out about coming into the building at the end of the day and the new system of lost property. Thank you for all your co-operation in keeping all the children safe.

### Lettings - Children's parties

More information re hires and prices are available from the School Business Manager - Sheila McCabe. Please email [smccabe3.307@lgflmail.org](mailto:smccabe3.307@lgflmail.org)

## Ready for Learning Goals

This week's *Ready for Learning Goal* is:

I am using my learning skills

The *EYFS Ready for Learning Goal* is:

Good caring

## Reception get close to nature!

What with butterflies hatching (more of that next week!) and interesting visitors in the Rainbow Room recently there has been a lot of nature in Reception recently. Have a look at our visitors from Zoolab. Everyone was very brave despite snakes and more besides. Don't they all look fascinated.

## Attendance

Thank you to everyone for coming to school regularly.

Well done to RR (94.7%), 1R ( 98.1%) and 4R (97.9%) for this week. All three classes win the attendance cups.

Our overall attendance percentage is now 96.3% for Years 1 - 6 and 95.1% for Reception.

*Please inform the school office if your child is arriving late or being collected early for a medical appointment. This will mean we can avoid sending unnecessary texts in the morning and inform the teachers if a child is leaving early. Do not forget to show evidence of the appointment (text message is also acceptable). Thank you.*

## Super Savers

In PSHE this term, Year 6 have to cover the topics of money and budgeting. MY BNK (part of Metro bank) come in every fortnight to teach us how to handle our money wisely. We had an assembly first, introducing us to the company and giving us an overview of what we would be learning.

Our first session was quizzing us to see if we were "Big Spenders", "Savvy Spenders" or "Super Savers" and all about giving us skills to help us resist the temptation to spend all our money and try to delay the instant gratification many of us craved.

The second session was all about budgeting and seeing how much we spend on non-essential items per week/month or year. There were some very interesting results!

MY BNK are currently working with us to convert us all into "Super Savers" by the end of this term, which we are thoroughly enjoying!
