Item/project	Cost £	Success Criteria	Evidence and Impact
<p>100% of costs of Fit For Sport lunchtime coaches</p> <p>Every day 5 Play leaders in all three playgrounds</p>	£12,507	<p>Better engagement of children at lunchtimes including girls participation in activities</p> <p>Decrease in the number of negative behaviour incidents</p> <p>Increase of level of skills in various PE areas</p>	<p>Decrease in the number of lunchtime incidents especially within Year 6. FFS are focused on carrying out sports such as tennis, hockey, basketball and football during lunchtime.</p> <p>Year 6 girls are engaged in the football and have been doing this 5 times a week.</p> <p>This was reduced to 4 days a week and FFS then worked with other year groups during lunch. The children have engaged in the activities provided, which has increased the enjoyment and participation in after school clubs and in PE lessons.</p>
<p>5-a-day (http://5-a-day.tv/) - healthy living website</p>	£203	<p>Increase in amount of exercise carried out by children</p> <p>Better engagement in lessons (5-a-day used as brain breaks)</p>	<p>FFS are using this in after school club on a daily basis. It continues to be a warm up activity for children or used in class as a 'brain break'</p>
<p>Participation in sports competitions - this includes additional staffing, competition, registration and travel costs.</p> <p>Plus extra training sessions for the</p>	£5000	<p>Increase in skills development of children attending the competitions</p> <p>Profile of school in the community raised</p>	<p>The school have joined in with 7 competitions and had training sessions before the competitions and reached the quarter finals or came in the top 5 from a number of schools. The results have been shared in our</p>

PE Premium Impact 2017-2018

preparation of the competitions		Promotion of Sports as an activity to the whole school community	weekly newsletter.
PE Resources including new Basketball / Netball hoops	£1500	More engagement in PE as a result of better PE equipment Broader range of PE skills taught leading to better attainment of PE attainment	These have been ordered for the after school club which occurs weekly and are also used during lunch time activities which has increased the children's participation in the sport.
Staffing for weekly netball club for Year 5	£450	Increase in amount of exercise carried out by children Better engagement of children at lunchtimes including girls participation in activities	FFS are carrying out weekly netball for girls in Years 5. This is continued during lunchtime which has reduced the number of lunchtime incidents.
Staffing for weekly football club for Girls in Year 6	£450	Increase in amount of exercise carried out by children Better engagement of children at lunchtimes including girls participation in activities	FFS are carrying out weekly football for girls in Years 5 and 6 This is continued during lunchtime which has reduced the number of lunchtime incidents.
Costs for staffing for friendly games with schools in the area	£200	Increase in skills development of children attending the competitions	Years 1-6 were involved in 8 'friendly games' with two local schools. We have won 7 out the 8 football games.
